HTC MAKIN' THE HARD JOBS EASY

HTC has been supplying specialised tooling solutions to New Zealand industry for 40 years.

Specialists in 700 bar hydraulics, cutting tools, lifting equipment and tool servicing, HTC sources and supplies solution-based tools and equipment for electrical contracting, arborist, railway, construction, engineering and drainage industries.

From branches in Auckland and Christchurch, HTC offers equipment sales, service, repair, calibration and tool hire.

"We are passionate about making the hard jobs easier for our customers. Call us today to see how we can help with your next project."

Robb Huskinson
Owner/Director

SUPPLIERS

HTC sources from world leading manufacturers with respected brands and proven products. We evaluate manufacturers by visiting their factories and thoroughly testing their tools before we offer products to our customers for sale and hire. HTC suppliers include Jameson line clearing tools, CHANCE lineman tools, Greenlee, Portable Winch, Durapac, Tohnichi torque equipment and many more. Manufacturers' warranties are backed in our own workshops, so you can be confident of ongoing servicing and support for your equipment.

Cable Installation

IMG REF	Description
C1	Perimeter wires installation machine

C1

Used to install cables underground for applications like Landscaping, Outdoor lighting, Dog control, and Robotic lawn mowers.

JAMESON *COMPOSITLOCK™*

New Compositelock Poles with improved dielectric strength and zero play between sections unlike traditional click together systems.

FEATURES

- Increased Safety when working around energized lines
- Strong, Secure connections between pole sections
- Smooth ferrule profile
- Foam core prevents debris and moisture build up inside pole and adds extra hoop strength and rigidity
- High visibility safety yellow color
- Preferred for aerial construction & line clearance
- JEC pole meets the requirements of OSHA Standard 1910.269: Individually tested to 100KV per foot for five minutes

**MAXIMUM
DURABILITY, STRENGTH,
UV & IMPACT RESISTANCE**

Hydraulic Tools

IMG REF	Description
H1	Generator / Welders - that can run of a trucks PTO
H2	Handheld Hydraulic Saw
H3	Hydraulic Long Reach Chainsaws
H4	Hydraulic Lopper / Pruner

HTC SERVICE

11

HTC's in-house specialist fitters are trained to provide fast, reliable and economic repairs and scheduled maintenance for your hydraulic tools and equipment.

Common parts are stocked for most products we hire and sell, which means you get your gear back quicker. Worried about keeping your current projects progressing while your gear is being serviced?

HTC offers discount hire rates when your own tools and equipment are being serviced by our specialist fitters.

HTC also supply seal kits, hoses, couplers, gauges, hydraulic fluids, coolants, cutters, punches, compression dies and a large range of other spares and accessories.

HTC specialist fitter's skills go beyond repairs and scheduled maintenance they can also create bespoke engineering solutions for your projects.
