# HTC at the ConnexisNZ Annual Connection 2022

It was an awesome 3 days at the ConnexisNZ Annual Connection 2022 in Levin last 27th-29th September. This event showcased the fantastic skills of NZ's electricity supply workers who continue to keep our country connected.

The competitions are a display of the skills, training, and knowledge which line mechanics and cable jointers rely on every day to keep power flowing to homes and businesses around New Zealand.

## Lines Comp Photos

This is Lenny from Wel Networks. He is 55 and did 65 push-ups in a row and thus won our push up competition.

This is Judea from Connetics in Tawa. He came in second with 60 push ups.

# HTC SERVICE

HTC's in-house specialist fitters are trained to provide fast, reliable and economic repairs and scheduled maintenance for your hydraulic tools and equipment.

Common parts are stocked for most products we hire and sell, which means you get your gear back quicker. Worried about keeping your current projects progressing while your gear is being serviced?

HTC offers discount hire rates when your own tools and equipment are being serviced by our specialist fitters.

HTC also supply seal kits, hoses, couplers, gauges, hydraulic fluids, coolants, cutters, punches, compression dies and a large range of other spares and accessories.

HTC specialist fitter's skills go beyond repairs and scheduled maintenance they can also create bespoke engineering solutions for your projects.
