## "Makin' the Hard Jobs Easy"

## STANLEY DSOG

The DS06 is lightweight, powerful and ideal for fast cutting of concrete, reinforced concrete, conduit, brick, stone and other masonry. 13 inch plunge cut capability allows quick cutting of window, door, conduit and duct openings in walls and notching and trimming of concrete pipe. Trigger activated water for lubrication and cooliong is ported through the bar and applied at the point where the concrete is being cut.

The DS06 is provided with The Wall Walker ${ }^{\text {TM }}$ to provide leverage for cutting, watter connection, and flush face quick disconnect couplers. The bar and chain are sold separately.

## Specifications

Application: Cutting concrete, reinforced concrete, conduit, brick, stone and other masonry.
Capacity: 13 in. / 33 cm Bar
Hyd. Flow: 4-6 or 7-9 gpm / 15-23 or 26-34 lpm
(see ordering info)
Weight: 14 lbs / 6 kg
Length: 24 in . / 61 cm
Width: 9 in. / 23 cm
Connection: $3 / 8$ in. flush face quick disconnect couplers

## STAMLEY DST1

The DS11 is lightweight, powerful and ideal for fast cutting of concrete, reinforced concrete, conduit, brick, stone and other masonry. Plunge cut capability allows quick cutting of window, door, conduit and duct openings in walls and notching and trimming of concrete pipe. Trigger activated water for lubrication and cooliong is ported through the bar and applied at the point where the concrete is being cut.

The DS11 features ergonomic handles and guards to help reduce operator fatigue, water connection, flush face quick disconnect couplers, and is powered by a Stanley Hyrevz ${ }^{\text {TM }}$ motor. The Wall Walker ${ }^{\text {TM }}$ that provides leverage for cutting is standard equipment. The bar and chain are sold separately.

## Specifications

Application: Cutting concrete, reinforced concrete, conduit, brick, stone and other masonry.
Capacity: 15 or 18 in. / 33 or 46 cm Bar
Hyd. Flow: 7-9 gpm / 26-34 Ipm
(see ordering info)
Weight: 26 lbs / 11 kg
Length: 38 in. / 97 cm
Width: 9 in. / 23 cm

Connection: $3 / 8$ in. flush face quick disconnect couplers
