LIVE CABLE TESTER

CR-100CE

CUTTING HEAD

- FORCE**
107kN
- CAPACITY**
100mm Blade Opening
- PUMP**
- PRESSURE**
700Bar
- RESERVOIR**
1.2L
- HOSE LENGTH**
8m
- POWER SOURCE**
57.6VDC 4.2Ah Battery

Model No.	Description
BP-114	Remote operated battery pump, 4.2Ah with charger optional wired remote
CR-100CE	Hydraulic cable cutter with coupler.
HP8-408-B38NM-BC	8m high pressure non-conductive hose assembly with coupler each end.
CR100EK	Earthing Kit shown below

SPECIFICATIONS

For cutting or cable spiking of cables up to 100mmOD.

FEATURES

This cable cutting and spiking system proves dead cables and cuts them in one controlled operation using full cordless infrared remote control ensuring optimum operator safety.

The battery powered pump provides total system portability. The unit can also be used to operate other single acting tools like crimp tools and rams. This system is proven and reliable, widely used and accepted by power authorities and contractors across the pacific, with spares and support available.

ACCESSORIES

A Range of single acting tools, hoses and pump carry bag available, contact HTC for more information.
